

# STERRAD™ Systems sterilization information

TO PROVIDE CONFIDENCE IN THE REPROCESSING OF INSTRUMENTS

## CHECK YOUR DEVICES' COMPATIBILITY 24/7!

### About the STERRAD™ Sterility Guide

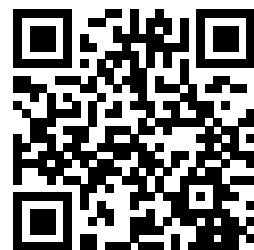

THE STERRAD™ STERILITY GUIDE (SSG) WAS FOUNDED TO ADDRESS AN UNMET NEED IN THE HEALTHCARE INDUSTRY FOR RELIABLE, UP-TO-DATE STERRAD SYSTEMS STERILIZATION INFORMATION. AT ASP, WE UNDERSTAND THE IMPORTANCE OF PROTECTING PATIENTS AND HEALTHCARE WORKERS AGAINST HOSPITAL-ACQUIRED INFECTIONS; AND THAT'S BEEN OUR MISSION: PROVIDING VITAL STERILIZATION PRODUCTS AND SERVICES WHERE THEY'RE NEEDED MOST.

# What makes the SSG different

WE TAKE GREAT PRIDE IN THE PRECISE PROCESS OF ADDING DEVICES TO THE SSG WEBSITE – IT'S TRULY WHAT MAKES US UNIQUE. ASP™ WORKS DIRECTLY WITH DEVICE MANUFACTURERS TO PERFORM RIGOROUS INSTRUMENT TESTING. UPON SUCCESSFUL VALIDATION AND APPROVAL FROM THE MANUFACTURERS, DEVICES ARE THEN REVIEWED INTERNALLY BEFORE BEING POSTED ON THE SSG WEBSITE. WE TAKE THE EXTRA STEPS TO ENSURE ACCURATE AND UP-TO-DATE INFORMATION, AND WE DON'T STOP THERE. WE CONTINUE TO COLLABORATE WITH OUR DEVICE MANUFACTURERS TO RECERTIFY EVERY DEVICE YEARLY – SO YOU KNOW YOU HAVE THE RIGHT INFORMATION WHEN YOU NEED IT.

ASP™ WAS THE FIRST TO PIONEER LOW-TEMPERATURE STERILIZATION, AND WE WERE ALSO FIRST TO INNOVATE THE ONLINE TOOL. THAT'S WHY WE CAN CONFIDENTLY SAY THAT THE SSG IS THE DIFFERENCE BETWEEN ASSUMED AND ASSURED.

ACCOUNT

## We're here for you:

The **SSG** is an easy-to-use online tool that acts as a bridge between the device manufacturer and central sterile departments globally.

We are always working to keep the **SSG** up to date by closely collaborating with device manufacturers to stay abreast of new technology and the changing needs of the healthcare system.

Where there is a sterilization need, you can be sure that we will be there to help you meet it – we're with you, every step of the way.

ARE YOU A  
MEDICAL DEVICE  
MANUFACTURER?
